First announcement and call for papers

Dear colleagues and friends,

The Association for Medicinal and Aromatic Plants of Southeast European Countries (AMAPSEEC) & Institute for Medicinal Plant Research “Dr Josif Pančić”, Belgrade, are organizing the 7th Conference on Medicinal and Aromatic Plants of Southeast European Countries (7th CMAPSEEC), in hotel “Patria”, Subotica (Serbia), from May 27-30, 2012.

The 1st CMAPSEEC was organized by the Institute for Medicinal Plant Research “Dr. Josif Pančić” Belgrade and the Federal Institute for Plant and Animal Genetic Resources, in Arandelovac (FR Yugoslavia), in the year 2000. Following 12 years and 6 successful conferences conducted each time in different country (the 2nd in Slovakia, the 3rd in Greece, the 4th in Romania, the 5th in Czech Republic and the 6th in Turkey), we are proud to be the host of the 7th Conference, here in Serbia.

The AMAPSEEC is the first regional association that gathers people, who are interested in MAPs or are working in this field, and it promotes and supports exchange of ideas and cooperation in the entire MAP sector in the region of South East Europe and even wider. Together with the Institute for Medicinal Plant Research “Dr Josif Pančić”, Belgrade, the AMAPSEEC cordially invites all those interested in the field of medicinal and aromatic plants to participate in the meeting and to exchange their interests, experiences and expertise among themselves and with us!

Dear colleague, we invite you to send us registration form, as well as abstract and full paper following proposed Important dates, Instruction for authors and details about accommodation and registration that are provided at www.amapseec.org/7th_cmapseec.

Looking forward to meet you in Subotica!
